One of the main topics for discussion for our DB Team meeting today will be determining when we/ORC can complete our draft RTC so legal and program peer review can start .

Other topics I have include: 1) FA update; 2) RTC issues still needing UIC program input; 3) preparing for update on AR efforts (for tomorrow's meeting); 4) NRC technical/management meetings update; 5) results of last week's NHPA call with NRC (Valois is preparing a summary); 6) tribal consultation; and 7) ESA.

Ex. 6 Personal Privacy (PP)

Douglas - I will miss the Dewey team meeting, but can review notes later if you have them.

Bert- can someone present for me at the all hands for the leading briefings topic?

I'll keep you posted.
